

Design Portfolio  
Mark H Suggs

This presentation of my portfolio requires Adobe Reader 7.0 and includes work I completed as Graphics Designer for Precision Printing (Boone), Alpine Ski Center (Banner Elk), Chetola Resort (Blowing Rock), ECR Software Corporation (Boone), and as Owner/Designer of *abi*GRAPHICS.

Select a link to open another PDF file displaying the images. Close the image file to return to this file.

Use the navigation controls along the bottom of the window to zoom in and out and turn pages.

Comments relative to the work are displayed in pop-up notes, which can be closed by clicking on the × in the top corner. Click the yellow and black icon to open the note again.
